BUILT FOR THE ROAD AHEAD.

Ford

FAIRLANE CONCEPT

A segment-busting, upright, upscale people mover at home from Napa to the Hamptons

• The first triple-action tailgate • Unique "rolling galley" rear utility area • Advanced safety technologies

Ford

SHELBY GR-1 CONCEPT

An all-new Ford performance statement: another dramatic collaboration with Carroll Shelby

• Gleaming, polished-aluminum exterior • 605-hp, 390-cu.-in. V10 engine • 6-speed transaxle with limited-slip differential

Ford

SYNus CONCEPT

A mobile urban sanctuary synthesizing a "Built Ford Tough" exterior and contrasting, fluid interior design

• Bank vault-inspired features, including solid milled-aluminum door closures • 45" LCD screen and onboard "WiFi" • Multi-configuration seating

Ford

EXPLORER SPORT TRAC CONCEPT

The original sport utility truck, slammed and glammed, street-rod style

• Long, low and wide • Massive 21" 10-spoke wheels with gunmetal finish • 4-wheel independent cruizin' suspension

Ford

2006 FORD HARLEY-DAVIDSON™ F-150 FALL 2005

America's most popular trucks join forces with a legendary motorcycle icon

• Limited-Edition series • 22" polished forged-aluminum wheels • Emblazoned with chrome and Harley-Davidson attitude

Ford

2006 FUSION FALL 2005

More driving passion from Ford

• Striking, bold design, featuring the new face of Ford • Sensuous interior style and craftsmanship • Performance and handling that gratify your urge to drive

Ford

2005 MUSTANG CONVERTIBLE SPRING 2005

The legend lives — drop the top and let your spirit run free

• Heart-pounding performance, with up to 300 hp • Integrated convertible boot • Available 1000-watt Shaker Audio System

Ford

BUILT FOR THE ROAD AHEAD.

MUSTANG • FREESTYLE • SUPER DUTY • ESCAPE HYBRID • FIVE HUNDRED
